Search for Permit or Application

Enter information below to search the Maricopa County Planning and Development database. Permits or Applications can be searched for by entering any of the following information:
• Site Address
• Contractor License Information
• Parcel Number
• Permit and Application Information

If the project dates before May 18, 2009 and may have received a final inspection or may be expired, terminated, suspended, cancelled or voided, you may search our former database at www.VelocityHall.com .

For assistance with starting your search, please consult the Guide to Search Velocity Hall
